Thank you, Jackie, for your support to the club

Nominated Awards

WRC Committee send out an email approaching the end of the season encouraging members to nominate fellow members for the following awards

Bannerman Memorial

- This award is for the horse that is a great all-rounder, who has turned his/her hoof to anything the rider desired to do, he/she may not necessarily be the winner but has had a good go at participating anyway!

Dedicated in memory of Banner, Olwyn Wheeler's special blue roan horse, an incredible all-round loveable horse who was part of the Wheeler family for 12 years. Banner had several surgeries to remove cancer from around his eyes at great expense. He was worth every cent and for the next 2 ½ yrs he had quality of life and was ridden regularly up until two days before he passed away peacefully in his paddock at the age of 22.

Tamara Sportsmanship Award

- This award is for the person who has demonstrated great sportsmanlike behaviour, i.e. helping others even if they are competing against them! (Just one example)

The Tamara Sportsmanship Award was named after Heather Gurney's horse Tamara, a beautiful chestnut mare. Their first few seasons together were interesting but Tamara and Heather's partnership blossomed and they had the best fun over the next 10 years. In March 2003, Tamara was tragically put down after breaking her leg following the stampede at Great NZ Horse Trek in Taranaki. This trophy is dedicated to the memory of Tamara, a very special little horse with a big heart.

Presidents Cup

- This is for the helper who never hesitates to put their hand up, they try to help at our days whenever they can and are always happy and helpful on the day.
 - Chosen by the president but nominated by any member
-

The Vernon Logistics – Turnout Award

- This award is for the combination who consistently make the effort to be well presented at club days. It's not about plaiting up or wearing jackets as that's not what the club is about – It's about having that clean brushed tail, tucked in shirt and overall smart casual appearance. The award will be chosen by the committee each year so we will be keeping an eye out!

The Vernon Logistics Turnout award was donated by Vernon Logistics in 2018 and they have agreed to support this award ongoing. Sarah Vernon – one of our long-time committee members is known for the clean white tail, matching saddle pad and generally the turnout princess so it seems only right that they are behind this award.
