A reminder due to financial impact COVID19 has had on our members/sponsors/community we will only be awarding the trophies without prizes – although our highpoints will still receive a rug.

We will have a special prize for the OVERALL high points (Flat and Jumping) and an attendance prize - Sponsored by [Symmetryinmotion Osteopathy Pilates Vibration Therapy](#)

Apologies	None
President's Introduction	<p><b>Welcome Speech Pres</b></p> <p>Hi and welcome to the Waitemata Riding Club AGM for 2020 season. Well to be fair that's if you can call this year a season – how crazy has this whole situation been – if someone had told me this time last year what events would occur in 2020 and how it would affect us all I would of thought they were MAD</p> <p>Needless to say as a result of COVID 19 we like everyone else had to call an early end to our year sadly meaning we never got through as many events as we would of liked. Reflecting on what we did achieve though – we still managed to do a lot of our regular events such as the dressage days, Ribbon days, Show jumping days and Clinics and on top of that we also managed to get a new event in along side our annual derby – The Obstacle course challenge. We had noticed it had become more popular over the years and we thought we would give it a show.</p> <p>Lets just say given how popular it was Im pretty sure it will be a regular feature in our calendar. It was very amusing I must say seeing the inhand class – and horses like Kites as they shied away from various “monsters” For those of you who did head along it was a great day for everyone – and definitely worth a look next season. Due to the early closure of the season we are a gifting all of our members from this season with a \$10 virtual voucher – please just</p>

put on your entry form when you would like to use it and we will make note of it. Speaking of which it is time to renew your membership so please make sure you do so you are eligible to compete for our annual trophies.

This year we are really grateful that we had enough events already to still run our annual points awards so this Virtual AGM will conclude with our prize giving

Hopefully at a later date now that we are allowed to socialise again we can organise a dinner somewhere for our members like we usually have for the AGM – so watch this space.

Ive had a great year with the team as president – as always ive been lucky to have a strong group who have been working together for a while now with a couple of new faces who just fitted right in. There is an immense amount of work that goes on behind the scene for all of our events and I cant thank you all enough for making things happen.

So on this note I would like to say thank you team – you are all awesome as Im sure you would all agree

I do have a small gift of appreciation for each of you but a thanks to:
